- † Water, oil, grease etc. create slippery conditions. Floor applications with exposure to these conditions require extra caution in product selection. Not for use on ramps. For additional information, refer to "Factors to Consider" at www.americanolean.com/ResidentialFactors.
- Suitable for exterior walls in freezing and non-freezing climates when proper installation methods are followed.
 - This is a hand crafted glass product, irregular and slightly chipped edges are characteristics of this product.

Price Structure

Prestige

Preferred

Stylish and elegant looks. Each tile is created through traditional firing processes and glaze techniques.

Premium

Sophisticated visuals and detailed surfacing. A process of multiple glazes results in an attractive, cultured surface.

Premier

Inherent visual color and depth. A complex process of design brings out the rich, more upscale texture and look of elegant porcelain as well as a variety of other tiles.

Prestige

Natural characteristics and realistic attributes. Captures the inherent beauty of natural stone. Highly complex design techniques are also applied to rich porcelains, unique glasses and other materials to create surfaces with distinctive physical and natural qualities.
