LEASE SPECIFY ABRASIVE GRAIN WHEN ORDERING.

ABRASIVE GRAIN AVAILABLE IN X AND X.

QUARRY NATURALS™ QUARRY TILE™

COMPLETE LINE AVAILABLE SHOWN ON NEXT PAGE.

ABRASIVE GRAIN NOT AVAILABLE ON MOST TRIM SHAPES.

SPECIAL SURFACES

- Please specify abrasive grain when ordering.

- Abrasive grains are available for Quarry Line, given proper clay-mining for every type of feature, depending on maintenance conditions. Available in X and X in sizes N01, N02, N03 and N04. Shorts, shorts, and products.

APPLICATIONS

- Suitable for exterior porches (including pool decks) and walls in living and creating leisure when proper installation methods are followed.

- Suitable for indoor installations requiring high compressive strength.

- Must be on a ramp, except when combined with abrasive grains.

- Please see Quarry Tiles Maintenance on next page.
